

# **LATAM Trade** *keeps getting better!*

Information about LATAM Trade and our services are now clearer and much simpler to find, creating an enhanced user experience.

Information is now organized on our home page in the following manner:

## **Operational Warnings & Contingencies**

Operational Notices/Contingencies/Trade Exceptions for Contingencies

## **Políticy**

Updates of existing business procedures or new publications

## **News Global Sales Support**

GSS news, hours of business, route updates, products and other news of interest

We understand that timely and efficient communication is fundamental to your satisfaction. We hope the upgrades to our portal make your experience on the LATAM Trade site much easier to navigate, with clear communications and easy to find information.

Do you have questions? Remember that our support representatives are available via chat, email and phone to assist you.

Sincerely,  
**LATAM Airlines team**
