

División PNR (SPLIT)

1 ° En PNR, haga clic en el botón "Más":

The screenshot shows the Sabre reservation system interface for a LATAM reservation (MSUVKC). The main window displays the reservation details, including the passenger name (L. L. - MUNOZRONALDO), the itinerary with two flight segments (LA 0642 and LA 0643), and the pricing information. The pricing section shows two fare quotes (Quote 1 and Quote 2) with their respective totals. The interface includes various navigation buttons such as 'Reservar', 'Tarifas', 'Preclas', 'Emisión', 'Info Vuelos', 'Detalle PNR', and 'Games'. The status bar at the bottom indicates the reservation was received on 03SEP19.

2 ° Seleccione la opción "Dividir reserva" y haga clic en "Aceptar"

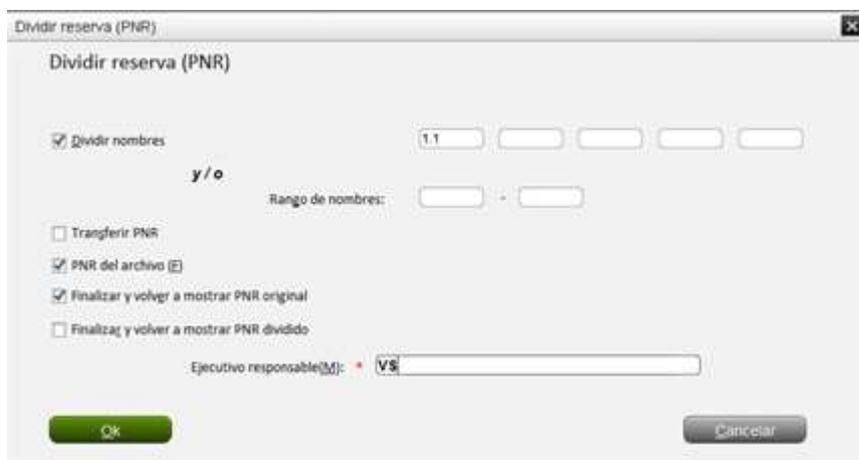

The screenshot shows a dialog box titled 'Editar itinerario' (Edit Itinerary). The dialog contains a list of options for editing the reservation. The 'Dividir reserva' (Split reservation) option is selected, indicated by a radio button and a blue highlight. Other options include 'Cancelar/Volver a reservar segmentos', 'Cambiar/Insertar segmentos (H)', 'Clonar reserva', 'Solicitar segmento no aereo', 'Insertar ARNK', 'Vender ARNK', and 'Eliminar conexión de segmentos casados'. The dialog has 'OK' and 'Cancelar' buttons at the bottom.

3 ° Ingrese la referencia del nombre del pasajero que se dividirá (por ejemplo, 1.1, 1.2, 2.1) en el campo "Nombre (s) de campo (s) dividido (s)";

4 ° Seleccione las opciones "Archivo PNR" y "Finalizar y volver a mostrar PNR original";

5 ° Ingrese la firma en el campo "Recibido de" y haga clic en "Aceptar":

6 ° Observe el PNR dividido y el nuevo PNR en el campo "Observaciones / Hechos":
