## Register

Enrollment in LATAM Developers Portal

Access https://latamxp-sandboxdirectconnect.apigee.io to create to create an account in the developers portal.

🖥 By registering, you will have access to our API documentation and sandbox.

👆 Click in the "Sign in" button in the upper right corner.

📑 Then click on "Create an account" and complete the form.

⚙ Send your user to your NDC go-to-market contact (if you don't have one, please contact us here) for its activation.

🧑 Wait for our team confirmation and you will be ready to go!
