

# Have you discovered our LATAM Trade Chat?

## Tutorial

In order to best serve you, and optimise your time, we have created our CHAT in LATAM Trade.

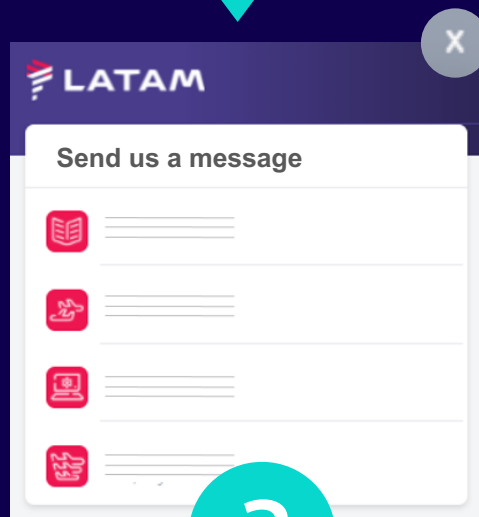

### How do you access CHAT?

Enter our portal [LATAM TRADE](#) and automatically this pop-up will appear on the right side of your screen.

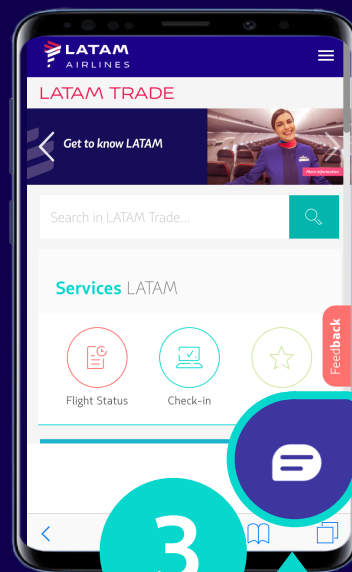

1

In the chat display you will have several service options available to select from where you can solve your request.

2

To minimize the panel and have a better navigation experience between pages, you can click on the "x" in the upper right corner of the chat.

3

If your query is not clarified, you can contact one of our executives.
